

# 2022 Orbitform Tech Expo

1600 Executive Drive • Jackson, MI

June 15–16, 2022

Visit our facility to see how we can help improve your assembly process. Find the optimal process for your permanent assembly. We have configured our Solutions Lab to show off all of our permanent assembly capabilities.

- **FASTENING** AND FORMING
- **CONVEYOR** ASSEMBLY
- **PROCESS INTELLIGENCE AND CONTROL**
- **SOLUTIONS LAB**
- **AUTOMATION** ASSEMBLY
- **SPARE PARTS, TOOLING, AND SERVICE**

We have asked more of our Collaborative Partners to join us this year:

- 
- |                       |                   |                     |                      |
|-----------------------|-------------------|---------------------|----------------------|
| • C&B Machine         | • Alro Steel      | • Red Caffeine      | • Englewood Electric |
| • Wardcraft Conveyors | • Alro Plastics   | • AIAM              | • Nitto Seiko        |
| • Schneider & Co.     | • Alro Industrial | • JC Rivet          | • Export Corporation |
| • Toledo Transducer   | • Hypercyl        | • Fortville Feeders |                      |

**R.S.V.P.** In order for us to plan the best possible experience for you let us know which day you plan to attend by registering on our Eventbrite page.
